Súkromná materská škola, Žltá 13/A, 851 07 Bratislava

Conditions for admission of a child to pre-primary education in Súkromná materká škola, Žltá 13/A, 851 07 Bratislava in the school year 2026/2027

Súkromná materská škola, Žltá 13/A, 851 07 Bratislava and its workplaces Malokrasňanská 2, 831 54 Bratislava and Továrenská 14, 811 09 Bratislava accept children for pre-primary education according to the generally applicable conditions arising from Act no. 209/2019 amending Act no. 245/2008 Coll. on upbringing and education, as amended.

Preferred admission to pre-primary education according to the Act no. 245/2008 §59:

- Children for whom pre-primary education is compulsory and who have reached the age of five by August 31, 2026.
- Children who continue in mandatory pre-primary education.
- Children entitled to admission to pre-primary education, i.e. children who have reached the age of three by August 31, 2026.

Other conditions for enrolling children:

- Children who attend Detské jasle, Žltá 2/A, 851 07 Bratislava and turn three years old no later than August 31 of the given calendar year. If there is free capacity in the kindergarten, we will also enroll a child who turns three years old during the school year.
- Siblings of children who will continue pre-primary education in our kindergarten in the 2026/2027 school year.
- Children under the age of three are admitted exceptionally if the capacity, material, personnel and other necessary conditions are created.

Filling an application and enrollment conditions:

A child is admitted to pre-primary education only on the basis of a filled-in ***Kindergarten Application***, which includes a ***certificate of a medical conditions from a child's pediatrician and information in the child's mandatory vaccinations status*** (Attachement n. 1). Data on both parents as well as parent's signatures are mandatory.[1] You can find the Pre-primary Education Application at www.bystraskolka.sk/en in the *„Sign up“* section.

If a child who has a diagnostic examination report confirming that they are a child with a health disadvantage is admitted to kindergarten, the application must include:

1 According to Section 144a of the Education Act Effective from January 1, 2022, the signatures of both legal guardians of the child are required on submission related to upbringing and education, i.e. also on applications. The signature of both legal representatives of the child is not required if: more information can be found on p. 3 https://www.minedu.sk/data/att/b82/29181.760783.pdf

- certificate of health capability,
- report from the diagnostic examination of the counseling and prevention facility,
- pediatrician's recommendation (Attachement no. 2)

If a child who has been confirmed in the diagnostic examination report to be a gifted child is admitted to kindergarten, the legal guardian must attach to the application:

- health certificate,
- report from the diagnostic examination of the counseling and prevention facility.

Pre-Primary Education Application can be delivered by the legal guardian:

- in person,
- by post, by courier to the address of the kindergarten,
- by email or by sending a scanned form via e-mail to: info@bystraskolka.sk
- through an electronic submission delivered to the kindergarten's electronic mailbox or an electronic document to which a qualified electronic signature is attached.
- Through electronic submission in the e-application system - https://eprihlasky.iedu.sk/

Additional information:

- Admission of a child with special educational needs is possible if the kindergarten is able to create the necessary material, hygienic and other specific conditions for the child.
- In cases where a child needs a specific dietary regimen like: dairy-free or gluten-free (or a combination) the child‘s legal guardian is required to present a written assessment from a specialist doctor. This assessment should verify the child's dietary needs and the necessity of providing specialized nutrition.

A decision:

A written decision on the admission or non-admission of the child to kindergarten will be issued electronically, on in person or via post no later than **June 30th, 2026**. Decision on admission to kindergarten are governed by Act No. 71/1967 Coll. On administrative procedure (Administrative Procedure Code).

Mgr. Petra Szántai

Headmistress of the kindergarten
